PDE
Portable, Electric-Powered, Direct-Drive, Cold Water Pressure Washer

- Up to 3.5 GPM, 3000 PSI
- Tri-plunger Direct-Drive Landa or AR Pump
- Industrial-Grade Motor
- 120V and 230V
- Detergent Injection

- Insulated, fatigue-free, spring-loaded Trigger Gun with detachable, two-piece, insulated Spray Wand make for easy point-and-shoot cleaning action.
- Illustrated Labels with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.
- Industrial-Strength Motor with full service factor and solid performance for years of service.
- Convenient Hose and Gun Hanger makes for easy storage of hose and trigger gun.
- There are many Safety Features, including a thermal pump protector to prevent the build up of excessive heat.
- 1½-inch Chrome Handles on front and back make for easy loading and unloading.
- Quick-couple Detergent Injector for easy low pressure application of soap.

- Easy access industrial-grade, heavy-duty Two-Position Switch for ease in turning the power on and off.
- Oil-bath, forged brass, tri-plunger Landa Pump has a 7-year warranty on oil end of pump, lifetime warranty on pump head. (AR pump has 5-year warranty)
- All Models Certified to the UL-1776 SAFETY STANDARDS OSHA Compliant
- Four quick-couple Nozzles are made of hardened stainless steel and are color-coded for easy selection of spray pattern.
- Inlet Filter screens debris from entering and damaging the pump.
- Water resistant Electrical Box for added safety and easy servicing.
- Rugged 10-gauge steel Chassis is protected by an all-weather, epoxy powder coat finish.
- 10 in. 2-ply, tubed Pneumatic Tires make for easy maneuvering on any terrain.

- 50 ft. of steel-wire braid High Pressure Hose rated for up to 3000 PSI and with 24-inch Hose Guard for burst protection and swivel Swedge Fitting for ease in handling hose.
- Two Rubber Pad Feet absorb vibration for long life and to keep the unit from "walking."
- Durable pressure-trapping Unloader diverts water flow when trigger gun is not activated.

- 10 in. 2-ply, tubed Pneumatic Tires make for easy maneuvering on any terrain.

WHY CHOOSE LANDA’S PDE

The PDE is a heavy-duty, electric powered, cold water pressure washer unit offering six models with cleaning power of up to 3000 PSI.

QUALITY: Only the highest quality components are used on the PDE, including a Landa high-pressure pump with limited 7-year warranty, industrial-duty motor, durable steel frame and insulated point-and-shoot wand for cleaning effectiveness. In addition to being certified to the rigid UL-1776 safety standards, the PDE has a 24-inch hose guard for burst protection and pictogram operating instructions for owner liability assurance.

CONVENIENCE: There are a number of features that make the PDE especially popular with users who seek to reduce their cleaning time. For instance, there are handles on both front and back for easy vehicle loading as well as a handy hose-and-gun holder. The two tubed, pneumatic tires make for easy maneuvering in any terrain and there are two shock-absorbing rubber feet to keep the PDE from “walking” while in operation.
